GETTING READY

Every expectant mother has a trying ordeal to face. If she does not

get ready for it, there is no telling what may happen. Child-birth is full of uncertainties if Nature is not given proper assistance.

Mother's Friend

is the best help you can use at this time. It is a liniment, and when regularly applied several months before baby comes, it makes the advent easy and nearly painless. It relieves and prevents "morning sickness," relaxes the overstrained muscles, relieves the distended feeling, shortens labor, makes recovery rapid and certain without any dangerous after-effects. Mother's Friend is good for only one purpose, viz.: to relieve motherhood of danger and pain.

\$1 dollar per bottle at all drug stores, or sent by mail on receipt of price. Free Books, containing valuable information for women, will be sent to any address upon application to

Mothers' Meeting.

The next Mothers' Meeting of the W. C. T. U., be with Mrs. Silas Stofor, Sycamore street, Monday March 8th, at two o'clock P. M. Subject, "Literature for Children, Right and Wrong kind." The interest in these meetings is increasing, our women are recognizing their value, and know that right instruction is the only safeguard for childhood. At the Mother's Congress last week in Washington, and which will meet annually in that city, our National President refused a most important place upon the program, because she had determined to take several months of needed rest; but the social purity work, literature, white cross pledge, and all the white ribbon departments were ably represented by such women as Mary Wood-Allen, Michigan; and Jessie Brown-Hilton, Illinois; and judging by the reports of the convention, they gave a good account of themselves.

DEATHS

Mrs. Amanda Black Tipton, daughter of Miller and Margaret Whitsett Black and grand daughter of Major George Black, was born, lived and died in this county. She was born on Green Briar Creek, Aug. 7, 1834. She was married to Burrell S. Tipton, Dec. 5, 1851, and they had six children, all of whom are living: Mrs. Bettie Lindsay, of Sturgeon, Mo.; Mrs. Sallie Nesbitt, of Owingsville, Ky.; Mrs. Maggie Young, A. L. Tipton, Mrs. Cora Bourne, and Miss Lena, of this county. Her husband died in July, 1890. Mr. Geo. M. Black and Mrs. Bettie Allison, of Greencastle, Ind., Mrs. Maggie Durham, of Crawfordsville, Ind., and Mrs. James D. Tipton, of this city, are her brother and sisters. Her sickness has been serious for about one and one-half years, during most of the time she has been unable to leave home. After much suffering the struggle ceased on Sunday morning Feb. 28, 1897 at 4:45 o'clock. Early in life she confessed her faith in Jesus the Christ, and has been a prayerful, scripture-reading, earnest christian. She was a member of the Methodist church. For the many duties of life she sought wisdom and strength at the throne of grace and the blessed promises of God's word were to her a source of comfort. Patient in suffering, gentle in spirit, full of faith and hope, she gave loving admonitions to her children and grand children, lapsed in to unconsciousness for about three days, and then fell to sleep in Jesus. The funeral service was held at the Methodist church on Monday afternoon by Rev. C. J. Nugent, assisted by Revs. J. W. Mitchell and W. T. Tibbs. The burial was in Machpelah cemetery, this city.

Judge J. T. Phelps, a gallant Confederate soldier and ex-Judge of Kenton county, is dead at Cynthiana.

Mrs. Lucile Wilson entertained the Epworth League Society of the Methodist Church on last Thursday evening at her beautiful home on Holt Avenue. These socials are always delightful affairs, and Mrs. Wilson was determined to make this one as enjoyable, if not more so, than any in the past. As to how well she succeeded you have only to ask some one who was present. The mode of entertainment was very novel. A quotation was written on two cards, one of which was handed to a young gentleman and the other to a young lady, and some of the Chesterfields had no little trouble in finding the terminus of their quotation, but after a diligent search all were found, and we were beginning to believe that all of the "complexities" of the evening were over with when another card was handed around with fifteen hidden States on it. A Prize was awarded to the one guessing the most of them correctly, which was a tie between Misses Grace Mitchell and Julia Wyatt, both having guessed the whole number. A booby prize was also awarded, Mr. D. H. Johnston being the recipient. A most palatable luncheon was served. Quite a number from a distance were present.

Weak Lungs

Hot weather won't cure weak lungs. You may feel better because out of doors more, but the trouble is still there. Don't stop taking your

Scott's Emulsion

because the weather happens to be warm. If you have a weak throat, a slight hacking cough, or some trouble with the bronchial tubes, summer is the best time to get rid of it. If you are losing flesh there is all the more need of attention. Weakness about the chest and thinness should never go together. One greatly increases the danger of the other. Heal the throat, cure the cough, and strengthen the whole system now. Keep taking Scott's Emulsion all summer.

For sale by all druggists at 50c and \$1.00.

The ladies have fully organized the W. C. T. U. Department; have already done good work in that line and are still gathering their forces to be ready to respond to all calls of monthly charity.

The members wish to return their very grateful thanks to those who so willingly contributed to this cause, and earnestly request that all those who have anything to give—money, provisions or old clothes, will leave same with Mrs. H. D. Clark, corner Clay and Sycamore Streets, or Mrs. B. F. Thompson, High Street.

Was't true that one of our most prominent women was called to appear before the grand jury? Yes, but it seems she had so many questions to ask of that august body of jurors that we have never been able to find out what it was they would know of her.

We suspect, however, that it was concerning the alms house department of the W. C. T. U., and of which she is the most efficient Superintendent. A movement is now in progress to petition the county officers to move the almshouse closer to the city, that the white-ribbon sisters may always give it that kindly supervision that a love of humanity demands.
